

CITY SCHOOLS OF DECATUR
DECATUR, GEORGIA

OFFICE OF
GIRLS HIGH SCHOOL PRINCIPAL
MISS DAISY FRANCES SMITH

March 13, 1937

TO WHOM IT MAY CONCERN:

This is to certify that Miss Frances Treadwell was graduated from Decatur Girls' High School in June 1935. She earned a classical diploma with an average of eighty-five for her sixteen units of work (English-four units; Latin-three units; Math-three units; History-three units; Science-three units).

She was elected a member of our chapter of National Honor Society, which is based on scholarship (upper third of class), character, leadership, service. Only a small portion of any senior class can be awarded this honor.

I consider her general character and ideals and conduct as exceptional, and her general ability as above the average. She is a very fine, or perhaps I should say refined, person. I would trust her to live up to whatever responsibility she might have and to interpret that conscientiously.

She was awarded the American Legion Medal, being selected by the faculty as the senior best measuring up to the requirements of honor, courage, scholarship, leadership, service.

I should be glad to have direct communication with anyone interested in securing her services for next year.

Daisy Frances Smith
