TO WHOM IT MAY CONCERN:

I am pleased to offer the following recommendation in behalf of Miss Frances Treadwell, of Decatur, Georgia, who is applying to you as a teacher.

I have known Miss Treadwell for a number of years and it was my pleasure to have ^{had} her under my supervision for a period of three years in the Decatur school system. She made a splendid record in the grammar school, Decatur Junior High School, and the Decatur High School. Her scholarship, conduct, and attendance were all excellent. She was well liked by both the pupils and the members of the faculty.

Miss Treadwell comes from a family of splendid people, she is a hard worker, and I believe that she will make a splendid teacher.

With best wishes, I am

Very truly yours,

Wheat William
